This Weeks Run...

Run No: 1154	Hares: FFFM & Hopeless	Place: Deep Water Bay	Date: 7 th June 2009
------------------------	----------------------------------	---------------------------------	-------------------------------------------

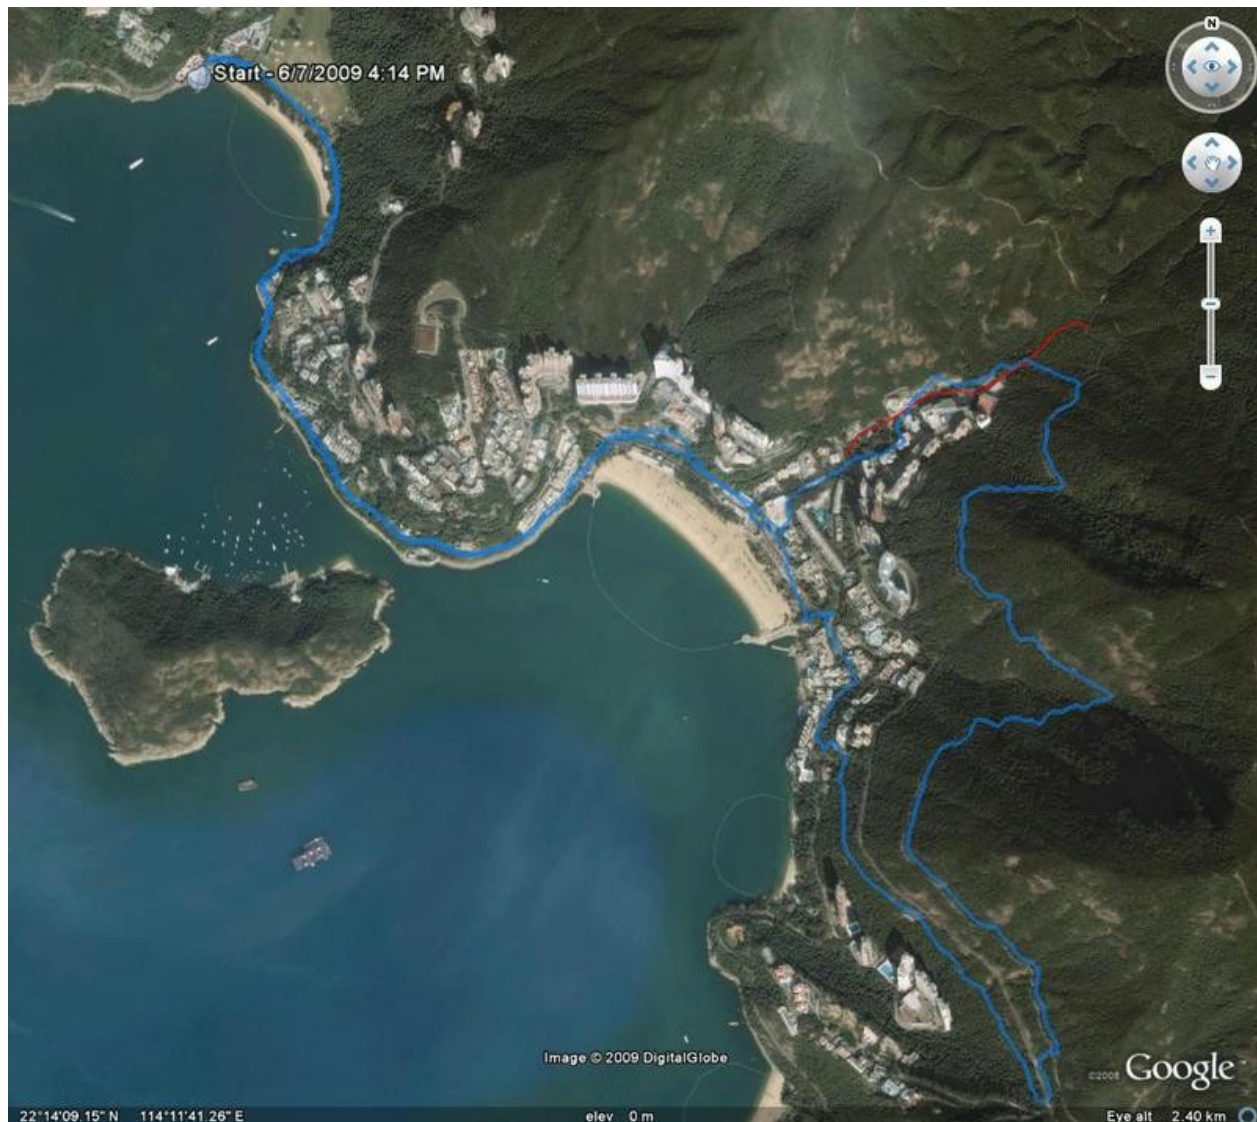

The Warm Up

Having arrived a bit early, it seems that I crashed the committee meeting that I wasn't invited to as being your scribe I am a mere "secondary committee member." However *Bwaer Wabbit* used the opportunity to put me on his list. I met two new virgins *Sarah* and her "older sister" *Venice*. I'm not sure how people know about the circle in advance but when I put *Sarah's* name in the notes, she asked if that was for a down-down and she had heard all about it and there was no way she was staying for the circle. So I could just forget about it. Wow!

As Hare Raiser I know how difficult it can be to fill all the Sunday's. But there was *Bwaer Wabbit* having double booked next Sunday and getting an earful from the aggrieved party. Further investigation shows that the entire cock-up is once again the sole responsibility of *Haggis the Horrible*. And this just two short weeks after ruining *Motormouth's* run. No wonder he isn't popular! Anyway, nice weather at the rowing club, *FFFM* and surprise hare *Hopeless* - some surprise.

The Run

So along the beach at Deepwater Bay, to the Seaview Promenade all the way to Repulse Bay. A handful of checks along the way helped to keep the pack together. Once in Repulse Bay we headed along Beach Road to South Bay Path, South Bay Road and South Bay Close to its termination at the base of the hill. Somewhere there was a R&W split. Just at the base of the footpath a hasher committed a heinous hash crime of T-ing off and rubbing out the arrow at a check pointing in the correct direction. It wasn't all-bad as it allowed me to catch up to an angered *Dick the Shit*, *G String*, and *Hasher Grace*, who spent much time being directed the wrong way. So it was off to the left and up to The Saddle for a four-way check. A bit of confusion there among hashers who didn't understand the ? mark at a check. So I ended up leading the way -briefly- along the catch water to Chung Hom Kok. This brought us back to South Bay Road, through Tin Hau Temple and then backtracking along the Seaview Promenade back to the Victoria Rowing Club. Advertised after hash rowing didn't happen for unexplained reasons.

Down Downs

Bite & Suck started the circle by continuing her brainwashing of us with the Bite & Suck doctrine of calling the GM Ma'am. But it seems to end up with everyone just calling her Mom.

Bite & Suck's Circle

- *F3M* and surprise hare *Hopeless* (in for the no-show *Stroke Me Harder*) - nice job hares
- Virgins: *May* from Australia brought by *F3M*, *Sarah* from Canada and *Venice* from Hong Kong brought by *Marafat*
- A process of elimination down-down: All in if you went to FCH3 yesterday,

out of the circle if you left early, out of the circle if you didn't hash Friday, out of the circle if didn't hash Thursday, out of the circle if you didn't hash Wednesday - *Hopeless* is last man standing take it down!

- *Hopeless* - wouldn't accept cream for his hornet sting on FCH3, now has to beg *Bite & Suck* to bring it to today.
- *Beancounter* - Not in the mood to give down-downs.

Beancounter's Circle

- Bahrain Hashers in: *Dog Bite, Big P & Wet Nurse*
- *Smallbone*, - Looks like a male model in the military named *Johhney Soft Cock* at some other hash.
- *Bwaer Wabbit* and *Cums With Cockney*, - *Cums With Cockney* saw a snake on the trail and it belonged to *Bwaer Wabbit*, but not to worry as it was small, limp and harmless.
- Non Hash Attire, to many to count

Bite & Suck's Circle

- *Black Widow*, - only accepting wine down-downs
- *Dr. Doom*, -showing up to the hash completely knackered, it couldn't be because of dancing till 5AM with *G-String* or all the alcohol, must be the cigars "I'm giving up cigars!"
- *Bwaer Wabbit* and *F3M*, - In a takeoff of you show me yours and I'll show you mine, *F3M* takes *Bwaer Wabbit* to the rowing shed and offers to show him her Purple Turtle if he'll show her his paddle.
- Non Runners, - *Wet Nurse* and *The Virgin Mary*
- *Chatroom Pedophile*, - Left the FCH3 early yesterday to go home and bake muffins, share this with the world on Facebook, and then not bring any for the GM
- *Lesbian Buttslap*, - Welcome Back
- RA *Hopeless*, - beautiful weather today

Hopeless' Circle

- *Lesbian Buttslap*, - Had to have her wedding dress altered and is now apparently addicted to diet pills.
- *Pinkie*, - Moaning Bastard always complaining about too much shiggy. Then didn't do today's shiggy free trail.
- *Chatroom Pedophile* and *Captain Pubic Hair*, - competition on the hash and using CBs to cut in front.
- *Bwaer Wabbit*, - Competing with *Indy Anus* and being easily confused.
- *Bravefart*, - Being solely responsible for the LSW Wed. night episode of Survivor.
- *Bwaer Wabbit*, - Late to committee meeting
- *Bean Counter*, - Only drinking two beers during the committee meeting, then using it as an excuse to moan the rest of the day.
- *F3M*, - Determined to turn a profit today, leaves a big wad of hash cash unattended in plain sight.

Bite & Suck's Circle

- Returnee's, - *Dog Bite*
- *Hasher Grace*, - Didn't come in as a visitor (never mind the GM never called in the visitors)
- All Hash Bakers, - *Chatroom Pedophile*, *Imelda 2*, and *American Mark*

Open Circle

- *American Mark* gives *Hopeless* a down-down for his nice Botox treatment on the eye. (hornet sting from FCH3)

On On

A very nice BBQ on-on with chefs *Hopeless* and *Caligula*. An excellent setting provided by *F3M* and Mother Nature at the Victoria Rowing Club. Interesting conversations provided by *Black Widow* and *Wet Nurse*. *Black Widow* was discussing blow-jobs with *Nose Vibrator*, *Tight Clit* and *Sung Kyung*. "Just like riding a bicycle, you never forget how to do it." *Wet Nurse* was discussing "Big Racks" with Bite & Suck. "Big Racks are mostly found in the Pacific Northwest but never in Australia." Interestingly *Bite & Suck* didn't take issue with that comment. *The Virgin Mary* who also doesn't drink explained to me that she couldn't do

today's hash because she was hung over. Huh? "I was hung over because *Bite & Suck* poured beer on my hair last night."

Pork chops, sausages, chicken, salad, corn, jacket potatoes and marsh mellows were enjoyed by all. A special Thank You for *Hopeless* and *Caligula* for slaving over the BBQ for a great on-on!

On On On

The *GM* took the willing to Spicy Fingers where a couple things of interest took place. *Haggis* declared that he is the illegitimate offspring of *Pinkie* and *Motormouth* and has continuing issues because both emphatically deny that he is theirs. And...this one was interesting to watch, *Shit Lipstick* without any hands or teeth, unhooked *Imelda 2's* bra. It was quite amazing to watch her walk off to the toilet having to hold herself up. And That's It, I'm out of here I'll see you in two weeks and leave things to *Bravefart*.
