This Weeks Run...

Run No:	Hares:	Place:	Date:
1164	Caligula, No Name Mery	Victoria Park	16 AUG 2009

The Warm Up

This being the Indonesian Independence day run, it seems that our sole Indonesian was going to take full advantage. Having been billed a [No Name Mery](#) hared run; it was interesting to find [Caligula](#) panting like a dog locked inside a car all day in Death Valley just outside the supermarket. It was even more interesting to find [No Name Mery](#) inside the air-conditioned supermarket without a bead of sweat on her and absolutely no trace of flour or chalk on her hands or body.

I had read various e-mails going back and forth during the week that the economic crisis had reached the Wanchai Hash and that funds were down and what were we going to do about it. Seems [Hopeless](#) has taken matters into his own hands by nicking beer from lesser hashes and bringing it to Wanchai to keep our costs under control. Good on you! Oh, and [F3M](#) said to mention that you are a **BRAT!**

And, one hasher thought that it would be better to spend the afternoon shopping for jumpers without any shame at all, which would be [Not Yet](#).

The Run

Interesting to note that the run started in Victoria Park, which is not close to MTR exit B. I did ask for a recap from [Caligula](#) as to where the run went, but got an "I have no idea" for an answer. So I'll try to note some places we went. Lets see, up a hill, to a bus terminus at the end of Lai Tak Tsuen Road. RW split, R up the hill, W along Lai Tak Tsuen Road. W continues along Tai Hang Road to join up again with the R who have now come down from the hill. Both R&W take a trail off of Tai Hang Road to go downhill and past the Hong Kong stadium, along Caroline Hill

Road and Leighton Road back to Victoria Park which featured a find your own way to A once you entered the park. Or have a look at Hopeless' GPS Google Earth map for the R trail.

The Circle

By the time the circle started, [Caligula](#) was in full heat stroke being tended to by our hash doctor [Bondi-Barbie](#) and others. It was decided that [Tiny Teepee](#) would be a stand-in for all [Caligula](#) down-downs while [Caligula](#) lay prostrate on the ground.

Haggis's Circle

- [Tiny Teepee](#); Hare marked from MTR exit B when A is much closer.
- [No Name Mery](#); Perfectly clean nails. Were you really a hare?
- Virgins; [Sally](#) from England, friend of [Gorgonzolla](#), lives on Llama, had sex last Friday.
- Visitors: [Jacianta](#) from Australia
- Returnees; [Dog Turd](#), [Not Yet](#), [Pussy Weasel](#), [Enema](#) and [Silly Cow](#).

Hopeless' Circle

- [F3M](#), [Tiny Teepee](#), [Inflate a Date](#); Racing. Please note that [Hopeless](#) would have been racing but was hopelessly looking for [Caligula's](#) sunglasses that had already been picked up by [Inflate A Date](#) causing him to finish close to last. So he says...
- [Dog Turd](#): Racing
- [Tiny Teepee](#); obviously looking for women, trying to impress with his push-ups. Called something else in UK, can't remember.
- [Spit or Swallow](#); sold car for \$10,000. Told wife \$2,000. See you in Laguna's mate!

Haggis's Circle

- [SOS](#); in the money but failed to pay his hash cash.

- **SOS**; a new father, named the kid **Rice**.
- **Pussy Weasel**; Came in last due to being out till 6am the previous night.
- **Bwaer Wabbit**; First to buy special edition ladies hash gear.
- **F3M & Hopeless**; having a GPS tiff.
- **SOS & Hopeless**; short cutters.
- **Pussy Weasel, Enema, Emma Royde**; media whores.

Hopeless' Circle

- **Gorgonzolla** and all Australians; turns out **Malou** means Mad Dog in the aboriginal language.
- **Bwaer Wabbit**; mixing up **No Name Mery** with **The Virgin Mary**.
- **No Name Mery**; Now has a name... she is... **Indo Bimbo**.

Haggis's Circle

- **Stroke Me Harder & Big P**; lazy hashers sitting and carrying on just outside the circle.
- **Irish Spew**; Knocking over Indo girls in Victoria Park.

Irish Spew

- **F3M & Hopeless**; It has now been determined that **Anality** is a sexually transmitted disease as **F3M** has obviously been infected with such having gotten it from sex with **Hopeless**.

Priscilla's Circle

- **Tiny Teepee**; for having the circle so close to a mosquito breeding ground.

Lost in Space's Circle

- **Tiny Teepee**; congratulations for having a **Maggie** Free run.

Haggis's Circle

- [Tiny Teepee](#); nice run.
- Next Week's Run on Braemer Hill set by [Coco](#).

The On-On

Having recovered from his heat stroke somewhat, [Caligula](#) led us to the on-on. Whoops we were supposed to confirm an hour before he remembers as we approached the restaurant, which is chock-a-block with patrons. Fifteen to thirty minutes for a table. Hashers growl in the searing early evening heat and drop out one by one. Finally those of us left are scrunched into small tables as never before in different areas of the restaurant. The food arrives, not good, not fit for our virgin vegetarian [Sally](#). An offense to [The Virgin Mary's](#) virginness. The worst in [Rawhides](#) twenty-four year hashing career. Should absolutely not be more than \$50 says [Haggis](#). Tummies are upset. But wait, all is not lost. Our very own [Bondi Barbie](#) loves it. He is gleefully hoovering down everything in sight using such adjectives as beautiful, brilliant, delicious and fantastic. So, at least one happy hasher!!! Thanks, [Caligula](#)!
