This Weeks Run...

Run No: 1165	Hares: Coco	Place: Braemar Hill	Date: 23 AUG 2009
-----------------	----------------	------------------------	----------------------

## The Warm Up

I used to think that I had great excuses for not watching rugby and missing hashes, but lately I have been clearly outclassed by *Inflate-a-Date*, who I overheard on the warm up chat: New Hasher *Rod* "Did you watch rugby yesterday? *Inflate-O* "No mate, I was out yachting yesterday, out yachting." *Hickey Slut* "Missed a great hash on Wednesday, where were you?" *Inflate-O* "I was in London on Wednesday, in London."

A very hot and hazy afternoon had us meeting at Braemar Hill for an adventurous *Coco* run. Seeing what had happened to *Caligula* the previous week he worked in a small pond towards the end of the run suitable for submerging oneself in and bringing down the body temperature, which he took full advantage of before the briefing.

And what a briefing! We had a runners/walkers split, a wimps/rambos split, a hard/easy split, checks, check backs, Southside pink ribbons, yellow ribbons round the old oak tree, and two watercourses; one feet wet and the other up to the waist wet with a difficult rock climb down. *Hickey Slut* was already shaking her head, "no way, not even going to try."

## The Run

Our absent *RA* was really nice to us. Just as the run was to commence, a nice cloud cover moved in and ever so nicely obscured the sun giving us at least a little bit of a break. All of our GPS people were either absent had flat batteries, or couldn't be bothered to give us one of those nice Google maps of the run.

We left the park, up the stairs to the trail, which I believe to be Sir Cecil's Ride. An early CB kept the pack together momentarily. An early run/walk split had the runners going downhill followed by an uphill and back to the same trail. We went into the Tai Tam Country Park (Quarry Bay Extension) and did some of the morning trail.

A Wimps/Rambos split allowed hashers the choice of not doing the second watercourse which involved working your way downstream amongst many rocks and no chance to stay out of the water. You had to jump in. This is also where the pink ribbons were denoting the hard watercourse vs. the easy whatever that was course.

This got us to in the vicinity of the Mt. Butler H.F. radio receiving station. We then hashed along the Happy Valley side of the hill with a view of Hong Kong stadium where we hashed the week prior. From there it was very easy paved trail back to A at Braemar Hill.

## The Circle

First few dds were missed, but I'll pick it up with *Absolute Wanker*.

### Absolute Wanker:

- *Woody Fucker* - Uses *Cumming Soon* as his mosquito repellent
- *F3M* - Topless paddling
- *Dr. Evil* - Sad bastard runs 31K, then comes to the hash

### Haggis's Circle:

- *F3M* - Chatting up new hasher Rod  
(I offered F3M the chance to have this dd expunged, but she wanted it left in to counterbalance the multitudes of Japanese girls who Facebook Hopeless.)
- Many Hashers - No hash gear
- *Inflate a Date* - Weird looking flip-flops
- *Bonecrusher* - Wearing Crocs that looked like they've been through the Exxon Valdez oil spill.

### Absolute Wanker's Circle:

- Conducts a fashion show with our no hash gear ladies. Winners are *Bona Sleaza*, *Yummy Mummy*, and *Big P*
- *Coco* - noted that the first one was wet and the second one deep, confusing *Absolute Wanker* into thinking this was intercourse not watercourse. Regardless *Absolute Wanker* missed out because he pulled out to early.

### Haggis's Circle:

- *F3M* - Allowed *Coco* to do all of his shopping with hash cash.
- *Lost in Space* - Took two hours to do the hash, fully enjoying all of the intercourse, I mean watercourse!
- Church Ladies - Many Filipinas who missed the hash so they could attend church, then came to the circle in their Sunday best.
- *Irish Spew* - Wearing gay combat shorts.

### Absolute Wanker's Circle:

- *Haggis*, *Emma Royde*, *Irish Spew*, *Coco* - Wearing Southside shirts to the Wanchai hash.
- *Dribble* - Giving good instructions to *The Virgin Mary*.
- *Lost in Space* - Last to shower ruining *Absolute Wanker's* previous memories of three Harrietes showering together a bit earlier.
- *Bwaer Wabbit* - Bad back but can still have sex.

A brief interlude as *Dribblitte* gives *Haggis* an ice-cream mush dd.

### Haggis's Circle:

- *Absolute Wanker* - Wearing a Caligula Shirt
- Hasher *Rowena* and *Ben Dover* - Being slower than *Lost in Space*.

### Absolute Wanker's Circle:

- *Coco* - Not being able to attend his own bash.

## On-On

A quaint gathering of ten went to Thai Delight across the street from Old China Hand for a very nice Thai meal. *Caligula* let us know that it is time to work on a name for Hasher *Rowena* but that in no way can it have anything to do with *Shit Lipstick*. So start thinking. *The Virgin Mary* was in a sour mood at dinner but denied that it had anything to do with the vicious unfounded baseless rumours that *Priscilla* may or may not be spreading.

Great hash *Coco* but unfortunately it seems no pictures or GPS map.
