This Weeks Run...

Run No:	Hares:	Place:	Date:
1173 (Red Dress Run)	Big P, Shit Lipstick, Bendover, Leg Over	TST Clocktower A-B	18/11/09

The Warm Up

With this being the annual red dress run, there was no shortage of pre-run material. Exiting the Star ferry, a red cluster of hashers at the foot of the clocktower was already apparent.

Much to the chagrin of **Smallbone** ("pretty disappointing the committee can't make the effort to dress up") and **Bottledancer** ("but you have such nice dress last year") I foreswore the cross-dressing this year. Thankfully this at least met with the approval of **Anal Invitation** ("at least someone else has turned up as a boring fart").

Among those who did go in for cross-dressing we saw notable efforts from:

Bondi, who after a dash of Dutch (actually Danish courtesy of Mr Carlsberg) courage, donned a fetching wig, coupled with some homemade breast enhancements.

Tiny Teepee, who might not have looked so happy about his red dress, had he known which harriers had worn it in previous years.

Marafat, who with the addition of a wig, looked disturbingly like Ozzie Osbourne in drag.

Thermal Dick, who might add a floral pattern or two, but always makes sure he keeps his legs warm.

Finally, we had **Haggis**, **Rawhide** & **Dribble** all with matching pyjamas.

After being moved on by a bureaucrat who was getting worried about the small crowd of locals photographing crazy gweilos, we were off.

The run

Leaving the clock tower we headed up Canton Road, before hanging a right into Kowloon Park where we stopped for drinks with the **GM** who tempted us with Midouri (wondering how long that had been in the cupboard, or rather, the closet) and Jel-O shots.

We continued on past the Mosque, across Nathan Road and along Knutsford Terrace, much to the surprise to the few tourists enjoying a late afternoon pint. After passing the science museum we came upon drink stop number two.

Here **Big P & Self-raising flower** offered up an interesting cocktail called Horny Goat. The overwhelming flavour came courtesy of some XXX Rum from Uttar Pradesh in India.

Stop two also offered the Rambo/wimp split. Wimps went round the corner and were home, whereas rambos headed off to Hung Hom before heading back to TST East along the waterfront.

The Circle

The **GM** having lost her voice, it is **Beancounter's** circle:

The hares (**Bendover**, **Legover**, **Big P** & **Shitlips**) are called for the first down down.

Marafat called for enjoying himself too much in drag. Mr Wanchai Pacific candidate in the making?

All those without red shorts/skirts/leggings: **Anal Invitation**, **Simon**, **Caligula**, **F3M**, **Carsten** & **Little Pair**

Smallbone has changed, used to look like a Greek God, now just looks like a Greek.

Bonecrusher, having lost his moustache, was the victim of mistaken identity in Delaney's.

Virgins & Visitors: **Simon** from Little Sai Wan, **Martini** from Saigon and **Legover's sisters**.

Shoe Horny & Rawhide are reprimanded for making jokes about Beancounter's alleged pregnancy

Haggis Circle

Best dressed man competition, contested between Marafat, **Shitlips**, **Beancounter**, **Bondi & CPH**. Bondi is the winner.

Best dressed lady, contested by **Rawhide**, **Tight Clit**, **Taxi**, **Barge Pole**, **Self-raising Flower** and, err, **Thermal Dick**. Rather disturbingly Thermal Dick triumphs.

Who has the most red items on today? **Legover**, with 8 items.

Motormouth has misunderstood and has a head-dress, not a red dress.

Bean counter's circle again...

Tiny Teepee reckons the red dress is doing wonders for his sex life and may wear it again next week.

Little Pair is leaving us for NYC next week.

Smallbone has a few down downs from the floor...

Beancounter is called in to apply secret cream to **Indy's** "foot leprosy".

Bondi & Shitlips both looked very happy that they didn't have to share the attention with renowned cross-dressers Emma Royde & Perfume Poofter, who were absent.

We finished a short circle with the announcement that **G-String & Bottledancer** will be haring next week's run at Parkview.
