This Weeks Run...

Run No: 1176	Hares: Naughty Angels	Place: Peak Galleria	Date: 08 NOV 2009
-----------------	--------------------------	-------------------------	----------------------

## The Warm-Up

My apologies to *Brave-Fart*, for missing the last four hashes leaving him to take care of the scribing. But I did manage to drag myself in with "functioning eyes, ears and writing hand". I won't get into the dysfunctional bits.

The *Naughty Angels* are *Woody* & *Bottle Dancer*, and date back slightly before my time here at WH3. An A to B run is featured and the crowd gathered at the entrance to the parking lot. Bags loaded into *Inflate-a-Date's* vehicle to be journeyed to B and a briefing had us on the way.

## The Run

Having been a victim of the previous days FCH3 including a certain *Tom Turk* who sent me in the wrong direction for 20 minutes - hey I'm *LiS*, I'm confused enough as it is- I decided on a nice W run to, as *Haggis* has so eloquently put it "allow a middle age man to work off the previous evening's hangover".

Of course taking the W trail allows you to spend a more leisurely pace with the Wanchai women who where laughing at me as I took the wrong trail on all the checks, a few made up checks on my part and some wrong directions placed by previous hashes which we ran through. This would be *Slippery*, *Ben Dover*, *Leg Over*, *Rachael* & *Gorgonzolla*.

After catching up to *The Virgin Mary* and *Dribblette*, *Dribblette* wanted to hash with me at a pace I could only keep up with because we were going downhill. Then upon reaching Wanchai Gap Park she asked if we could stop for a moment for her to use the facilities. While I blinked for half a second she bolted out and ran off on her own while I was left pondering "I know she's a girl but could it really take this long." After waiting for *The Virgin Mary* to confirm her escape, I was again laughed at by the previous group who had now caught up to me again. Maybe hashing "all by myself" would be better.

So from the Wanchai Gap Park, it was along the trail along Aberdeen Road, toward Peel Rise and then the 1/4 K trail up-up-up to Watford Road where a nervous looking *Cookie* was concerned about Philipina hashers dressed in black -I assured him they were okay. Briefly on Watford Road, left on Guildford Road to the B made famous by *Field Marshall Smegma*.

For the record, for the wimps before Wanchai Gap Park, we hashed along Old Peak Rd., Sevrn Rd. and Barker Rd., which took us to the Wanchai Gap Park. Rambos have the nicety of a *Hopeless* GPS map.

Speaking of *Hopeless* on in he arrived dummy spitting that he had been a victim of directionally challenged females. It seems a certain *Hash Bike* had led him in the wrong direction. Nicely done. *Cookie* arrived with two black clad Filipinas, neither of who were *Hash Bike*. It was nice to see returnees *Toilet Spray* and *Happy Valley* as they came in. *Inflate-a-Date* had brought our bags and had *Tom Petty* playing for us on the car stereo for our pre-circle entertainment. Being on the property of a girl's school, the guards were quite lax with us but that came to an end when *Dr. Doom* disrobed in full public view. Then we had to be admonished by a school official.

But before the circle could begin legions of non-runners arrived in taxicabs to the chagrin of our Hash-Cash *FFFM* as none of them seemed to be offering to pay hash cash. The most egregious of these was our very own AGM *Beancounter* who within 5 seconds of stepping out of the taxi had a beer in hand. The Shame!

## The Circle

As is the custom our *GM* calls the circle together and immediately gets the run number wrong. Get it down, ya!

### Bite'n'Suck's Circle:

- Hare's; Unremarkable Markings.
- Visitors; *Remey* from Conduit Road.
- *Bean Counter*; Not paying hash-cash
- *Bean Counter*; Poor reason for being a non-runner, spent the afternoon in Laguna's

### Bean Counter's Circle:

- *Hash-Bike*; Upsetting security by being naked
- *Smallbone, Caligula, Priscilla, Hopeless, Emma Royde*; Rimming Hashers.
- *Hopeless*; Impinging *Bean Counter's* Impunity with regard to Hash-Cash.

### Bite'n'Suck's Circle:

- *Priscilla, The Virgin Mary*; Having trouble 69ing together.
- *Naughty Angels*; No particular reason.
- *Woody Pecker* and *Woody Fuk Her*; Being in the *Woody* family.
- *Inflate-a-Date* and *Shit Lip Stick*; Nice music provided by the former and pooh-poohed by the latter.
- *Marafat*; Soon to be WP contestent, struts in the circle.

- *Anal Invitation, Woody Fuk Her, Dr. Doom*; Also WP contestants.
- *Hopeless* and *Caligula*; Always conveniently out of town on business during WP weekend.
- *Hopeless*; Not dummy spitting enough.

### Hopeless' Circle:

- No-Name *Kava*; Confused by placement of No-No.
- *Sexual Healing, Yummy Mummy, Happy Valley, Hash Bike*; Confusing *Hopeless* with their checking abilities.
- *Hash Bike*; Something about *Caligula*.

### Bite'n'Suck's Circle:

- *Hopeless*; Fertilizing other ladies "farms" but not *F3Ms*.
- Various nonsensical dd's concerning rugby.
- *Kum Ming Soon*; No hash gear and surprising the GM by using very foul language for such a quiet little Korean girl. Turns out that foul language is a sign of affection in *Woody Fuk Her's* war torn hometown of **Detroit** Michigan.
- *Priscilla*; A want to be Detrouiter always wearing Michigan shirts.
- *Woody Wood Pecker*; Now in NZ, is overusing the word "bloody".
- *CPH*; Inferior underwear.
- *Dribblette* and *Yours Truly*; The toilet incident.
- *Dribble*; Not properly looking after his daughter.

### Dribble's Circle:

- *Caligula*; 550 runs

- *Happy Valley*; 50 runs
- *Lost in Space*; 101 runs and still no mug, darn.

## Bite'n'Suck's Circle:

- *Bwaer Wabbit, F3M; Bwaer Wabbit* tried to short cut behind *F3M*.
- *F3M*; Being a hung-over pregnant school girl.
- *The Virgin Mary*; E-mailing the *GM* on stupid dds to give *Anal Invitation*.
- *Inflate-a-Date*; Ace CX 747 commander with eagle eye vision confuses *Brave Fart* for *Gun Powder Plod*.

## Hopeless' Circle:

- *Dr. Doom*; Gave *Anal Invitation* a right hook.
- *Marafat, Smallbone, Dribble, Inflate-a-Date*; Hashers who have served in the military as we observe remembrance week.
- *Caligula, Indo-Bimbo*; Hash couple on opposite ends of the circle.
- *Toilet Spray*; Wanting a fleece for winter.
- *F3M*; Decorating a taxi in vomit.

## On-On

Down the hill we went to Sabah where we now have a private area allowing us to have a nice crowd of thirty or so without having to compete with the masses pressing against the door. Nice dinner had by all. I think. Till next week...
