**MR WANCHAI PACIFIC RUN 2009**

A challenge for the hares this week is that a similar Wanchai run had taken place last Sunday. But not to worry, as the hares had a different start location and route that went over to Hong Kong stadium and up to Tai Hang.

GPS 8.34km

The pack set off at a brisk pace and immediately headed towards Happy Valley Racecourse where the first check saw most runners turning right with the exception of **DTS** who got it right by guessing

left. By the time the FRBs caught up with him, **DTS** again showed his canny instincts by heading up Link Road, with the lemmings following **Caligula** down towards the Happy Valley tram depot. At the top **CPH** motored off into the direction of the Hong Kong stadium, with the rest of the pack mistakenly heading up Broadwood Road. At the stadium, **Hopeless** assumed the trail was up the steps behind the stadium, leaving **Irish Spew** in his peculiar stop/start gait and **Inky Winky** setting off after **CPH**, closely followed by **Bwaer Wabbit**, **Dr Doom** and **Small Bone**. **Smegma**, **Vomit** and **BOF** were just behind. Up Tai Hang Road with a nifty bit of shiggy and on to Cloudview Road, which only **Inky Winky** futilely ascended. Down into the fumes of Tin Hau and then zigzagging through the pollution of Causeway Bay, the Rambos met up with the Wimps shopping which eventually got us back to A. All in all, a good run and warm up for the evening's entertainment.

Later a bevy of tarts in tartan (**Marafat**, **Dr Doom**, **Absolut Wanker**, **Pesticide & Woody F\*cker**) lined up in Spicy Fingers for the 2009 Mr Wanchai Pacific

**MCs: Haggis and Small Bone**

Dr Doom was crowned Mr Wanchai Pacific 2009 (aided by his high-heel toppling incident)
