This Weeks Run...

Run No:	Hares:	Place:	Date:
1191	Smagma, Bware Wabbit and Self-Raising Flower	Guildford Road	17 th Jan 2009

A discerning group assembled for **Smagma's** birthday run in Guildford Road, ably assisted by co-hares **Bwaer Wabbit** and **Self-Raising Flower**. Weather conditions were excellent with bright sun and clear views (well almost). Well done the **RA**.

Directions were despatched at 4pm and it was On On up the road. A quick check at the top and the correct path was found to be behind the petrol station. **ET, Motormouth, Happy Valley and Angel** struggled up the steps until we hit Severn Road which then headed left. Up to Pollocks Path and another check which had caught out **Hopeless, CPH, Bravehart, Freef*ck, Precious Pussy** and others.

On On up the road then down past Peak School to the bridge leading to Mount Kellet Road. There was a fear that Smagma would take us down Peel

Rise towards Aberdeen Country Park - but luckily no. Onwards towards Matilda and then looping back down towards the Peak Galeria. Front runners headed up towards Governor's Path. Slower and more stealthy runners took the path down to Barker Road which wound its way back to the start.

A good trail around the more refined neighbourhood of the Peak, and some fine views and a change from Smegma's Aberdeen Country Park stalking ground.
