This Weeks Run...

| Run No: | Hares: | Place: | Date: |
|---------|---|-----------------------|-------------|
| 1199 | Dick the Shit, Bware Wabbit and Self Raising Flower | Wanchai Gap, The Peak | 14 Mar 2010 |

An *Ides of March* run from Wanchai Gap which the hares billed as an "A to B extravaganza" starting from the Police Museum (100 metres away). Weather was considerably warmer on the Peak than at lower levels.

At 4pm, **Dick the Shit** and **Bware Wabbit** instructed the pack of the various markings and red knives to be collected on trail. They then directed the pack left out of the gate. **Captain Pubic** led the pack down the road to a check. The correct route was found to be along Mount Cameron Road and then up the footpath to Middle Gap Road. The pack was give a head start by **Motormouth**, **Bottledancer**, **Slippery**, **Legover** and **Beancounter**. Onto Middle Gap Road and heading right into the country park with **Dribble** and **Dribblette** showing good form. Down the hill and a left onto the HK Trail with On On being called in the distance by the FRB's of **Bravefart**, **Ship Lips**, **Easy Rider**, **Vomit** and **BOF**.

The path wound its way towards Black's Link and a Rambos/Wimps split. Wimps headed left back to the start (4km run). Rambos led right towards Wong Nai Chung Gap and from there down towards Deep Water Bay. There then followed a circular route over Nam Fung Road and into Aberdeen Country Park and back to the start along Lady Clementi's Ride (11km).

Emma Royd clearly thought the Rambos was too tortuous and opted to do the Wimps twice. **Toilet Spray**, **Happy Valley** and **Lynn** confirmed **Emma Royd's** suspicions by coming in 2 hours after the start. As **Dick the Shit** said in a classic understatement "the Wimps is a bit disproportionate to the Rambos." But fine for this scribe.
