This Weeks Run...

Run No:	Hares:	Place:	Date:
1205	Bondi Barbie & Rearender	Mount Austin, ThePeak	25/04/2010

First run following last week's regime change, and a good run it was too by **Bondi Barbie** and **Rearender**. Virgin trails were promised on this A to B extravaganza from the Peak to Surf (Wah Fu): and so they were.

Assembling at Mount Austin playground opposite **Bware Wabbit's** former residence (long since demolished), Bondi and Rearender called the pack together and after some chalk demonstrations, directed the pack off down the hill. Some brief confusion at the Peak Tram and the On was established to be up Plunkets Road with **Catch of the Day** leading the way ahead of **Bolton Bollocks, Mrs Bollocks, Legover, Big P, Wanchai Gap, Beancounter, Doctor Doom** and the **GM**. The trail then looped down towards Homestead Road in the general direction of Matilda.

At the end of Homestead, Bondi was waiting in his van and directed us down into Kellett Drive and a private development which led onto a trail at the back. From here the slightly shiggy trail headed down towards the first Rambos and Wimps split.

**Legover** opted for the Wimps (right), with the Rambos (left) quickly leading towards a pipeline trail (virgin trail) that swept horizontally across the hill, eventually coming out at a hilltop overlooking Aberdeen. From there, a narrow trail led up over the hill (more virgin trail) and down towards a pagoda which connected back onto the Wimps. On On down the hill along another shiggy trail and a split for the second Wimps and Rambos. The Wimps descended down to Pokfulam Road. At this point **STFU** and **Catch of the Day** appeared from the Rambos and headed over into Victoria Road, along and then down into a sneaky river crossing that ended up at Waterfall Bay in Wah Fu.
